### Last Week's Program

was a busy one starting with a few words from our past District Governor *Horace McCormack* who stated his appreciation of all our club did for the District and Rotary in general over the past year. He also mentioned some individuals who'd provided noteworthy support. *Drew Carroll* provided his last words as president by expressing his appreciation for the support of many members. *Drew* finished with a few jokes that were enjoyed. The main 'Program' was provided by Acting Sgt. At Arms *Jack Pitzer* whom made the transfer of responsibilities from our old to the new board. Each of the directors and officers received their lapel pins and concluded with an exchange of gifts between *Gayle* and *Drew*. Finally a few words about the recent Rotary International Convention in Canada and a short slide show were provided by *Gayle*.

### Attendance Quote For Today From *Mary Ann Karau*

"The magic formula that successful businesses have discovered is to treat customers like quests and employees like people." (*Tom Peters*) The magic formula to the success of our Rotary Club is the participation and friendly atmosphere of our meetings. Try to attend if you can. If not try to make up.
