### **Mary Ann Karau's Attendance Quote For Today**

"When I was born, I was so surprised I didn't talk for a year and a half."

(Gracie Allen) When you attend our weekly meetings, the fellowship and speakers are worth the effort.

### **Your Webmaster Has Added a Box Titled "Proposed New Members"**

Open up and click "How to Propose a New Member. This was taken from RI website and also our District site. You will find the proposal form with all the info on the new member and also the channels that this proposal goes through. Print it and fill in the blanks. Any questions check with your webmaster. Hope this helps!

### **Having the Portable Microphone is a Big Help**

Dick Laquement does a fine job handling the mike when the audience asks questions. It's especially helps the members in the rear as we can't hear the questions. Talking about Dick, he is heading for Alaska and left last Saturday and will be away for two weeks. It seems that lots of people are checking out Alaska.

### **It Was Good Seeing Phil Colclough Last Week**

Phil as you know moved to Florida where he had a condo. He was a partner with Tom Fields in the insurance business. By the way, Tom is really coming along fast. I noted that he is gaining weight. According to Phil, he was one sick fellow.
